EBECO

Wallflex 600 Wifi, 230 V

Electric convector with included Wifi

Usage

- Rated for both wet and dry areas (IP24)
- Delivered with junction box and WAGO connectors
- Removable wall mount with smart cable management

Several effects · Plug · Colour display

- App control
- Double-insulated product
- Selectable temperature limitation and energy-saving program

Electric convector with integrated Wi-Fi and color display. The integrated thermostat allows for multiple individually adjustable energy-saving programs, has simple and clear navigation, and displays energy consumption and history. With the option for button lock and child-safe temperature limitation (max 60°). Can be controlled remotely with the Ebeco Connect app and through integrations such as Google Home, Tibber, and our open API. Delivered with plug and junction box.

Specifications

Connection voltage	230 VAC ±10 % ~50–60 Hz
