 Delivered with junction box and WAGO connectors  
 Removable wall mount with smart cable management

 Several effects  Plug  Colour display

- ✔ App control
- ✔ Double-insulated product
- ✔ Selectable temperature limitation and energy-saving program

Electric convector with integrated Wi-Fi and color display. The integrated thermostat allows for multiple individually adjustable energy-saving programs, has simple and clear navigation, and displays energy consumption and history. With the option for button lock and child-safe temperature limitation (max 60°). Can be controlled remotely with the Ebeco Connect app and through integrations such as Google Home, Tibber, and our open API. Delivered with plug and junction box.

## Specifications

Connection voltage	230 VAC ±10 % ~50–60 Hz
