

Supplementary kit F-10

Usage

- For heating cable F-10
- For Frostvakt10
- Drinking water approved

Supplementary kit used for internal placement of Ebeco F-10 and Frostvakt 10. Oval gasket specially adapted to the shape of the cable giving the screw fitting a safe, tight seal. The supplementary kit contains a fitting (R15/R20) and a cardboard lead-through pipe. Type-approved for drinking water according to KIWA (approval 1289). Also suitable for T-18/T-18-CT.
